

Jesus has completed his journey. Having arrived in Jerusalem, he teaches boldly in the Temple, aware that his enemies, 'the chief priests and the scribes, with leading citizens' want to 'do away with him' (Lk 19:47). At this point, Luke includes several incidents of ugly confrontation. That chosen for today's gospel reading – concerned with resurrection – has intimations of the tragic drama that lies ahead. Jesus is confronted by 'some Sadducees', members of a conservative priestly establishment, who saw popular movements as a threat to their interests. Seeing Jesus as a dangerous trouble maker, they set out to discredit him in the eyes of the people by making a fool of him. The Sadducees rejected the belief in a future resurrection that had emerged in the final period of Old Testament times – as unfaithful to the original traditions of God's people. The Old Testament was a time of preparation, a time in which the awareness that made it possible to recognise God's decisive intervention in creation - in the life, death and resurrection of our Saviour – developed gradually.

Parking Lot Policy & Guidelines (October 2016)

Over the past year, the Parish Advisory Council has spent time drafting a Parking Lot Policy to deal with concerns that have become increasingly problematic. The following Policy and Guidelines were approved at the October 2016 meeting and are now in effect. The cooperation of all parishioners is appreciated.

Policy

- The OLS Church parking lot is private property and is intended for the use of registered parishioners and/or those attending Mass or a parish function. Anyone else using the parking lot for any other reason will be asked to leave at the discretion of the parish office.
- Unauthorized VEHICLES in the Church parking lot will be TAGGED/TOWED.
- Unauthorized VISITORS using the parking lot will be asked to remove themselves and/or their car from the lot.
- LOITERING in the church parking lot and on church grounds is strictly prohibited and those refusing to leave will be reported to the police.
- ILLEGAL PARKING within the lot which blocks other cars will not be tolerated. Those parking in aisles or blocking the entrance or exit to the lot may be towed. This is a safety issue.

Guidelines

- The Parish Advisory Council along with the Pastor will be responsible for revisions to this POLICY.
- The parking lot must be clearly lit to help prevent inappropriate use of the lot.
- The parking lot must have clear signage to ensure use and restrictions are clearly posted.
- Repeat policy offenders will have their vehicles tagged/towed.
- The parking lot policy will be issued in the bulletin, published on the church website and will be re-issued as needed to remind the parish community of the policy and guidelines.

COMMUNITY

ShareLife: Giving hope to those in our families ...

Where there is no guidance, a nation falls; but in an abundance of counselors there is safety. (Proverbs 11:14)
Last year nearly 20,000 people received effective outreach and counseling services from ShareLife which supports Catholic Family Services agencies from across the archdiocese. Our Family Service agencies have created walk-in clinics to help clients access service faster, reduce stress about a host of issues, and improve their sense of well-being. Clients report these sessions provide practical coping skills to help them deal with issues, and they feel more hopeful about their situation. Your continued support of ShareLife has made it possible for individuals to receive immediate help through walk-in clinic counseling. Thank you for helping to provide this service to those in need!
