

2017 ShareLife Parish Campaign Theme: Living the Gospel

As a Catholic community, we are called to live the Gospel in many ways. As individuals, we can volunteer our time by helping within our parish community, or by giving of our talents to help those in need in the greater society. Our parishes provide out of the cold programs, food banks, or other parish ministries that require our support. There are many ways that we can fulfill the Gospel call to “love one another as I have loved you”.

In the Archdiocese of Toronto, we are fortunate to have the annual ShareLife campaign as a way that we can collectively express our love for neighbour. With our generous support, 42 agencies provide front line social services and programs to the entire community, bringing the message of the Gospel to those in need. Whether it is by providing counselling to families coping with the loss of a loved one or evangelizing in the greater world, ShareLife agencies are fulfilling a core component of our Pastoral Plan of Catholic Outreach in justice and love.

In the encyclical *Evangelii Gaudium*, Pope Francis notes “Each individual Christian and every community is called to be an instrument of God for the liberation and promotion of the poor, and for enabling them to be fully part of society.” ShareLife agencies bring this message to life, and as we reflect on their work, we realize the important role that the Catholic church plays in our society to care for those in need. I am grateful for the way that our parishioners answer the call to support their work through our annual appeal.

Our agencies are developing new programs and enhancing services to meet the needs of those who come to them for help. This year, we are providing increased allocations to support their work, and I invite you to join me in helping them by making a sacrificial gift to the 2017 ShareLife campaign. More than ever, we are called to love our neighbour, and our generous support for ShareLife is one of the ways that we bring the hands of Christ to those in need. As we note in Proverbs, “Happy is the generous man, the one who feeds the poor.” Thank you for your care of the needs of others through your support for ShareLife!

May our Lord bless you always.
